

WFPICCS Research Session

GETTING YOUR HANDS WET: *Zooming in on international Pediatric ICU research*

Tuesday, July 13, 2021 at noon Greenwich Mean Time (GMT)

Quito 07.00 / 08.00 Washington DC / 09.00 Montevideo / 13.00 Yaoundé / 14.00 Cape Town /
15.00 Nairobi / 17.30 Mumbai / 20.00 Singapore / 22.00 Brisbane / midnight Auckland

Introduction:

Join us for WFPICCS' final "Getting Your Hands Wet" Research Session, on July 13th at the above times and learn how two major funding bodies encourage #PedsICU research internationally.

Tessie October, US National Institutes of Health (NIH) Bethesda, US and Sam Akech, KEMRI Wellcome Trust, Nairobi, Kenya will provide valuable insight about their organization's commitment to multi-centre studies & their funding priorities, and how their funding mechanisms work.

Presentations:

- 1. Tessie October, NIH USA:** *NIH's commitment to growing international PICU research collaborations: Funding Opportunities and Processes.*
- 2. Sam Akech, Kemri Wellcome Trust:** *Kemri Wellcome Trust's strategies to building pediatric critical care research capacity in low resource settings.*

Panellists:

- 1.** Tessie October, NIH, USA
- 2.** Sam Akech, Kemri Wellcome Trust, Kenya
- 3.** Jan Hau Lee, Singapore
- 4.** Sebastián González, Uruguay
- 5.** Donna Franklin, Australia
