

Workshop Title:

**TRAINING THE TEAM: INTERACTIVE STRATEGIES TO IMPROVE KNOWLEDGE, SKILLS AND ABILITIES**

**Workshop Date / Time:**

June 2, 2024 / 08:00- 12:15

**Workshop Type:**

In-person Half-Day Workshop

**Workshop Organizer:**

Natasha Afonso

**Workshop Moderator:**

Natasha Afonso

**Workshop Facilitators:**

Nirica Borges, Brad Scherer, Ashish Ankola MD, Dalia Bashir MD, Patricia Bastero MD, Jamie Causey MD, Joe Knadler MD, Julie Lasalle RN, Raysa Morales MD, Rachel Ninemire MD, Sebastian Tume MD

**Learning objectives:**

At the conclusion of the Pre-congress workshop, participants will be able to:

1. Describe interactive modalities employing adult learning principles to train a multidisciplinary team.
2. Identify benefits and drawbacks of each educational strategy.
3. Create a simulation program plan to improve efficacy in achieving learning.
4. Incorporate principles of radical candor to provide feedback and mentoring.

**Workshop objectives:**

The success of an intensive care unit relies on the collaborative strength of a multidisciplinary team. This workshop introduces participants to interactive educational modalities that can be utilized to strengthen the knowledge, skills and abilities of the intensive care team.
