XPLOR (EX)

Xplor is a unique underground world with activities that invite you to explore your senses and rediscover your feelings through Nature.

About 65 million years ago, an asteroid some six miles in diameter struck the Yucatan Peninsula. The dinosaurs, incapable of surviving in a completely changed world, disappeared forever and extraordinary new life forms began to populate the Earth. Changes were also happening underground: the crater formed by the enormous asteroid began to fill with water that filtered underground, carving giant caverns as it eroded the limestone bedrock. For millions and millions of years. Nature sculpted the underground.

Tour includes: Share Transportation in air conditioned vehicles, entrance fee to Xplor, all activities such as zip line, underground rafts, amphibian vehicles, stalactite river swim, locker and dressing room, equipment for all the activities, buffet lunch and unlimited natural fruit beverages.
